Strengths

Projects of this nature often tend to focus exclusively on areas of concern. Through the course of the assessment, a variety of IT strengths surfaced which are worth noting and building upon. These include:

- ◆ **MIT staff are perceived as competent and responsive**

- ◆ **MIT has good central control of its infrastructure inventory and licensing**

- ◆ **The City has made good use of its personal productivity tools**

- ◆ **The "Therefore" financial management system has reliably provided basic accounting functionality**

- ◆ **The City's Website is well designed and provides commonly needed information**

- ◆ **Police Computer Aided Dispatch (CAD) and Records Management System (RMS) are working well**

- ◆ **A mobile computing effort has been funded and is in the planning stages for Police**
